PLACES PARTY'S INTEREST BEFORE THAT OF NATION

Welding Of G. O. P. More Important to Mr. Harding Than Peace

Louisville, Ky., Oct. 4.—Senator Harding's chief policy is to hold together his party; to prevent a split between the Tamm-Wichersham-Roosevelt and the Borah-Lodge-Johnson factions. He told this to Rabbi Louis Wolsey of Cleveland two weeks ago at Marion.

Rabbi Wolsey told this to an audience of five hundred women here Wednesday in a non-partisan address on Woman Suffrage. According to the speaker, Senator Harding stated that he did not know what his policy would be if elected President regarding the League of Nations. This uncertainty, Harding explained to the Rabbi, is due to the fact that he considers it his duty to hold his party together. This attitude is in keeping with the statement made by Harding to a Baltimore audience that "He had not worked out any constructive program for the association of nations."

Harding's statements to Rabbi Wolsey are a complete confession that he places party interest above the welfare of the United States and the peace of the world. Rabbi Wolsey said "if either candidate believes that we should live alone in isolation completely apart from the rest of the League that man ought to be defeated ignominiously. Nothing can occur in any part of the world that does not affect the rest of the world. We can't stand off."

"Governor Cox said 'I am for going in.' That leaves no doubt. We know what those relations with the rest of the world will be if Mr. Cox is elected."

Harding's refusal to entertain any opinion about the League of Nations is clearly due to his evident desire not to offend those who are either for or against it within the Republican party.

MRS. ELIZABETH CAMPBELL SUCCEUMS TO PNEUMONIA

Death entered the home of Mr. Walter B. Campbell, near this city, Tuesday, Sept. 28, and claimed his mother, Mrs. Elizabeth Campbell. She had been in failing health for some time but the immediate cause of her death was bronchial pneumonia. Mrs. Campbell was almost 67 years of age and was a daughter of Isaac and Rebecca Shown. Her husband, C. R. Campbell died several years ago.

She is survived by a son, Walter B. Campbell and four daughters, Mesdames, James Pirtle, and John Brown, of Hartford; H. M. Hauser, Spencer, Ind.; and Ernest Shown, of Beda. Funeral services were conducted at the home by Rev. R. D. Bennett, at 2 p. m., Wednesday. Burial occurred at Oakwood, the same day.

NEW DOUGH MIXER INSTALLED AT BAKERY

A modern and sanitary dough mixing machine has been recently installed by Mr. W. C. Schlummer, proprietor of the City Bakery. The mixer is driven by a 3 H. P. gasoline engine and is capable of approximately 200 pounds of flour at a time. Mr. Schlummer is contemplating the purchase of a moulder which can be attached to the mixer. This will save a great deal of labor as well as increase the maximum output of the bakery and is another sign that Hartford is really progressing.

NEW METHODIST PASTOR ARRIVES IN HARTFORD

He will move his family from Elizabethtown to this city, the latter part of the week.

GOVERNOR COX IN STATE TWO DAYS

Louisville, Ky., Sept. 28.—Governor Cox will make two trips into Kentucky during his campaign. His first venture into the State will be on October 7-8. Later in the month Governor Cox will make another trip to Kentucky in order to address the workers at Ashland and Catlettsburg.

The Democratic candidate opens his Kentucky speaking at Elizabethtown at 9:00 o'clock on the morning of October 7th. Bowling Green voters will hear him at 2:00 o'clock that afternoon, and he jumps over to Nashville for a speech that night. He leaves Nashville immediately after this meeting to speak at Paducah at 10:00 o'clock on the morning of October 8th. From Paducah Cox will jump right into Louisville for a monster mass meeting in the Kentucky metropolis that night. Wherever the train stops long enough for a rear and appearance Governor Cox will address audiences on the trip from Paducah to Louisville.

NEW LEVEE

A long deferred and much needed piece of road work is now under way on the Hartford and Hardins-

burg road between Davidson Station and Beech Grove schoolhouse. For a short distance near the schoolhouse this road is very low and is in bad condition the year round. Several months ago several public spirited citizens of that neighborhood made arrangements with the Fiscal court whereby the county agreed to furnish an amount of money equal to that subscribed by these citizens. Approximately \$700 was soon raised by subscription and this with the \$700 supplied by the county will be sufficient to defray the expense of building a good levee across this low place.

MOUNTAIN REPUBLICANS THROG TO BECKHAM SPEAKINGS

Senator J. C. W. Beckham, has been having great throngs of Republicans hearing his speeches in the mountains. Many of them have informed him that they approve heartily of his position on the Irish question, and that unless Richard P. Ernest, his opponent, answers this question, he will lose their votes. Senator Beckham answered the question one day after he received it. Mr. Ernest has gone four weeks without sending a reply.

SOME CENSUS FIGURES OF OHIO COUNTY

Out Of Ten Towns Reported, Five Show An Increase

While we have been unable to obtain the census figures for the entire county, we publish below the 1910 and 1920 census for a number of towns:

Town	1920	1910
Hartford	960	976
Beaver Dam	788	762
Rockport	650	658
Fordsville	612	649
McHenry	439	520
Horse Branch	429	103
Centertown	343	289
Rosine	176	166
Cromwell	160	163
Deanfield	80	75

It will be noted that Rockport, Hartford, Fordsville, McHenry, and Cromwell, decreased in population while Beaver Dam, Horse Branch, Centertown, Rosine and Deanfield increased. Horse Branch shows an increase of 316 1/2 per cent, which is the most surprising in the list given.

MISCELLANEOUS SHOWER

Mr. Thomson Taylor and Miss Agnes Williams married Sept. 15, and after returning from Kentucky State Fair where they spent their honeymoon, were given a miscellaneous shower, on Monday afternoon, at the home of Mr. and Mrs. Horace Taylor. A number of nice presents were received including table cloths, towels, pillow cases, sheets, silverware, glassware, chinaware, also several pieces of cut glass and last but not least thirty-five dollars in long green.

After the presents were unwrapped and admired by those present we were invited out to the table which was beautifully decorated with a large bouquet of wandering Jews, geraniums and dahlias. Cakes and cider were served and then the guests departed for their homes after expressing their thanks for the hospitality of their hostess, Mrs. Horace Taylor.

REPUBLICAN SPEAKERS IN HARTFORD MONDAY

The Republicans held a rally here Monday afternoon. The speakers were Lieut. Col. Theo. Roosevelt, Gov. Morrow and Mr. R. P. Ernst. They were introduced by Miss Mary Marks. The school dismissed for the occasion and the pupils with a scattering attendance of citizens from various parts of the county made up the audience. The speakers confined their remarks to the League of Nations but failed to arouse much enthusiasm. If the Republican candidate for President or the party platform was mentioned we failed to hear either.

Democrats Are Asked to Subscribe to Campaign Fund

Believe People Will Finance Work in Behalf of Ticket; More Than 100,000 Helped Four Years Ago; No Idea of Matching Millions With Republicans, But Much in Need of Legitimate Funds

The Democratic National committee wants help, wants it in an open above-board, public way. The Cox-Roosevelt managers are in great need of funds—not millions as are available to their opponents—but modest thousands with which to offset the effect of the immense funds being used to confuse and misrepresent the true issues of the present national campaign.

They propose to get needed funds directly from the body of Cox-Roosevelt supporters. This is in harmony with the financial policies of previous Democratic campaigns. In 1912 nearly 100,000 persons subscribed to the fund used in carrying the Wilson message to the people. In 1916, even a larger aggregate

number of individuals rendered financial help. Through the time for making appeal is short the Cox-Roosevelt managers believe even a larger number want to contribute this year.

They have no hope or desire of matching millions with the Republicans; in fact, they don't believe that such is necessary even if it were tolerable. But some funds are needed with which to do legitimate work—the maintaining of headquarters, the writing of letters the sending forth of information which the voters should have, etc.

Ample funds would readily come to the Democratic managers were they to ignore all questions of source and purpose represented by large donations from selfish interests.

Instead they are leaving the matter to the people, to those who give, modestly, perhaps, but yet but of no motive but unselfish desire to promote the principles represented by James M. Cox and Franklin D. Roosevelt.

They believe the masses of Cox-

Roosevelt supporters will thus come to the aid of the campaign, and have requested W. H. Parks to receive and transmit contributions from Ohio County voters.

Contributions are needed badly

and are needed now.

Send yours at once to W. H. Parks, Hartford, Ky., and it will be forwarded promptly to national headquarters at Grand Central Palace, New York City.
